Calendar Month	9	10	11	12	1	2	3	4	5	6	7	8	9	10	11	12	1	2	3	4	5	6
Calendar Year	2009				2010												2011					
WQCP / CEQA Documentation – Substitute Environmental Document (SED)																						
CEQA Scoping (complete)																						
Draft Modeling Alternatives (complete)																						
Prepare Salt Science																						
Prepare Fish-flow Science																						
Conduct SJR and Delta Modeling																						
Complete draft SED chapters for scientific basis of salt and flow objectives: salt science, fish flow science, and modeling																						
Prepare/ Circulate Workshop Notice on partial SED (scientific basis of salt and flow objectives)																						
Comment Period																						
Respond to Comments/ Revise																						
Board Workshop																						
Prepare Draft Plan Amendment																						
Prepare Package for Econ Analysis																						
Prepare Package for Peer Review																						
Conduct Economic Analysis																						
Conduct External Peer Review																						
Address Peer Review Comments / Revise																						
Add Econ and Impacts Analysis to SED																						
Complete Draft Final Amendment/ SED																						
Prepare/ Circulate Notice of Filing and November Hearing																						
Comment Period																						
Respond to Comments/ Revise																						
Board Hearing																						
Agency Consultation																						
Prepare Record for OAL																						
OAL Review																						
Prepare Record for USEPA																						
USEPA Review																						
Prepare and Submit Notice of Decision																						

◆ Public Meeting
